Index>NY State Reporting>SIRS Extracts>Day Calendar and Student Daily Attendance

The screenshot shows the 'NY State Repository System Extracts' interface. On the left, under 'Extract Options', 'Student Daily Attendance' is selected in the 'Extract Type' dropdown. The 'Effective Date' is 05/22/2018 and the 'Full Academic Year Date' is 06/30/2018. The 'Included State Grade Levels' are set to 'All Grades'. The 'Format' is 'State Format(CSV)'. On the right, under 'Select Calendars', 'Day Calendar' is selected in the 'Extract Type' dropdown. The 'Effective Date' is 05/22/2018 and the 'Full Academic Year Date' is 06/30/2018. The 'Format' is 'State Format(CSV)'. Two lists of schools are shown, both with '17-18' selected. The first list includes schools like Charles High School, Charles HS SS, and Charles Summer School. The second list includes schools like Charles High School, Charles HS SS, and Charles Summer School. Both lists have a 'Generate Extract' button below them.

Choose the parameters for your school/district

If the active year has been changed to 18-19, sort by year and select 17-18 from the list.

1. Run Day Calendar Extract. Do not open, save to your computer.
2. Run Student Daily Attendance. Select options specific to your district, save to your computer, do not open csv file.

The screenshot displays the eSD application interface. The top navigation bar includes the eSD logo and the date Wednesday, August 9, 2017. The main menu is divided into several sections: Registration, Staff, Student, Program, Reports, District, My eSD, System, Scheduling, Academic, and Interoperability. The Reports section is expanded, showing sub-menus for Analysis, Attendance, Birthdays, Custom Reports, Enrollment, Exports, Grade Reporting, Journal, Label, Registration, Roster, and Scheduling. The Exports menu is further expanded to show NY eScholar Exports, NY eScholar Requests, and Transportation Export. The main content area is titled "State Reporting: eSchoolData to State Reporting File Generation" and includes a "Search" button and "New Run" and "Delete" buttons. Below this, there are input fields for "Date Range:" and "Through (For Student Summary Attendance by Date only)", along with a dropdown menu for "Assessment Groups (For Staff Student Course Only)". A note states: "Note: To ensure optimal performance of the eSD application please refrain from generating the Staff Student Course Evaluation file in conjunction with high volume reports such as running Grade Reporting files en masse." The main list of reports is titled "Run 5/30/2018 Amityville UFSD: 2017 - 2018" and contains a table of report options with checkboxes. The "Student Daily Attendance" and "Day Calendar" options are highlighted with red boxes.

Compliance Reporting in Alma

Welcome to Alma's compliance reporting for the state of New York.

Access

To access your compliance reports go to the Reporting tab and then click on "compliance reporting". From there you can sort the reports by "due date" or the "report name".

The screenshot shows the Alma interface for Compliance Reporting. On the left is a navigation sidebar with icons for Directory, Calendar, Courses, Classes, Attendance, Reporting (highlighted), Surveys, Report Cards, Incidents, Fees, File Cabinet, Activities, and Alma Start. The main content area is titled "Compliance Reporting" and includes a breadcrumb trail: reports library > report builder > compliance reporting > spreadsheet data editor > transcripts. Below the breadcrumb is a search bar labeled "Search Reports". A "28 Reports" section is displayed, with a "Sort by" dropdown menu set to "Report Name" and "Due Date" selected. The reports are listed in a grid:
