I have reviewed the L2RPT verification reports indicated below, which were generated for my entity as of the August 19, 2023 data refresh. I understand that the reports were generated from data in Level 2 of the Student Information Repository System. I also understand that **data submitted by my Level 1 to Level 2 of the SIRS as of August 18, 2023** will be the final submission and the data in the repository as of this date will be used for accountability determinations, State Aid calculations and to populate the New York State Report Cards and may be used for additional reports to the Board of Regents or for other policy purposes. These data are also considered public information and may be provided to any requestor on demand. With certifying the data, the LEA guarantees all required official written documentation in accordance with 2CFR 200 and may be required to immediately produce upon request.
